

NEWS FLASH

NATIONAL HEALTHCARE FACILITIES & ENGINEERING WEEK

October 15-21, 2023

Recognize yourself, your department and your staff during Healthcare Facilities and Engineering Week. Make sure everybody knows the vital role played by CHES members in maintaining a safe, secure and functioning environment for your institution.

2023 Online Materials will include:

- Proclamation – why not place this in your institution's newsletter or even the local paper?
- Crossword Puzzle
- Poster Templates
- Tent card template
- Sample letters for CEO and event speakers

Other Ways to Celebrate in your Facility: (or your own ideas are invited)

- Hold an "Open House" and invite your institution's employees to tour the facilities.
- Serve them cake and local food treats.
- Hang a banner in your institution
- Recognize the staff members in your department though advertizing their successes
- Hold weekly or daily draws or contests with prizes for the winners (possibly some suppliers will assist)
