- 2022 Maritime Conference May 2-3 – Although initially planned as a face to face in Moncton, with pandemic uncertainty, the decision was made to go virtual. The conference is to be offered free to any CHES member. Thanks, the conference committee and Events Management for pulling together for our first virtual conference.
- CHES Maritime Conference 2023 – A spring conference is being planned for April 30-May 2 at the Delta Beausejour in Moncton, NB. More details to come.
- Rescheduling of the Halifax National conference – this conference is rescheduled to September 8-10, 2024. The venues have been rebooked for these dates.
- Fall education session – hoping to be able to offer this program in November. Stay tuned for details.
- Per Paache Bursary – will be online shortly – Closing date is June 30th

Respectfully submitted,
