

## Jeremy Kehler Bio

My name is Jeremy Kehler and I am the Physical Plant Services-Planning and Projects Lead for Southern Health-Sante Sud in Manitoba. 5 years previous, I was the Lead-Physical Plant Services for Bethesda Regional Health Centre and Hopital Ste. Anne Hospital in Southern Health-Sante Sud. In CHES Manitoba, I am the secretary for the Chapter and am the current chair of the CHES National Professional Development Committee. I currently sit on several provincial healthcare committees and working groups, helping to develop guidelines and service/equipment procurement.

As a 5<sup>th</sup> Class Power Engineer, I have worked in LTC, Acute and admin facilities in a variety of roles including facility management, environmental services and project management.

I currently reside in Ste. Anne, MB with my wife and 5 kids and spend my free time golfing, fishing and doing the dishes at home.
